Shuffles

Nashville Shuffle

One staff of musical notation in treble clef, key of D major (two sharps), and common time. The notation shows a series of eighth notes with a 'V' (downbow) above each note and a 'v' (upbow) below each note, alternating in a shuffle pattern. The piece ends with a double bar line.

Georgia Shuffle

One staff of musical notation in treble clef, key of D major (two sharps), and common time. The notation shows a series of eighth notes with a 'V' (downbow) above each note and a 'v' (upbow) below each note, alternating in a shuffle pattern. The piece ends with a double bar line.

N.B. What's important here is, of course, the direction of the bow rather than the actual notes. For clarity I've included only a single note at a time, but in these examples you may like to let the bow play the open A string at the same time.
